

**National Rural Accountable Care Consortium's TCPI
Organized Health Care Arrangement
Declaration**

National Rural Accountable Care Consortium's Transforming Clinical Practice Initiative ("TCPI") is an Organized Health Care Arrangement (the "TCPI OHCA") pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") because together the TCPI participants constitute:

- A clinically integrated care setting in which individuals typically receive health care from more than one health care provider; and/or
- An organized system of health care in which the TCPI participants hold themselves out to the public as participating in a joint arrangement and participate in one or more of the following joint activities:
 - Utilization review
 - Quality assessment and improvement activities
 - Payment activities
 - Clinical integration

This Declaration is effective beginning on the dates such activities began and shall remain effective until such activities cease or a TCPI participant terminates its TCPI Participation Agreement.
